PROFESSIONAL PROFILE

Graduate in Business Administration with a Master's Degree in Auditing and Management Control, with over three years of experience in auditing and financial analysis. Specialized in financial accounting, analytical control, and financial reporting. Known for a proactive and meticulous approach, providing technological solutions to optimize processes through advanced tools such as Excel, Power BI, SQL, and Python. Eager to contribute my experience and analytical skills in a dynamic, growth-oriented environment.

PROFESSIONAL EXPERIENCE

Financial Auditor | Gaudit | Andorra la Vella | October 2024 - Present

- Detailed analysis of financial statements, supervision of monthly accounting closures, and assurance of regulatory compliance.
- Development of dashboards and automated reports for tracking key performance indicators.
- Implementation of technological solutions (VBA, Power Query) to streamline audit processes and proactively detect financial variances.

Financial Auditor | OCPS Auditors i Consultors | Andorra la Vella | July 2021 – October 2024

- Execution of comprehensive audits, including substantive testing and internal control evaluation, ensuring accuracy in financial reporting.
- Preparation of operational recommendations aimed at enhancing efficiency in accounting and financial processes.
- Cross-departmental collaboration with legal, tax, and logistics teams to resolve issues and improve regulatory compliance.
